

ABOUT THE EVENT

It's a wonderful time of year!
It's time for the Annual Shoals Area Special Olympics Golf Tournament.

This tournament is a major source of funding for our programs during the coming year. These programs are **totally dependent** upon donations. There is **no cost** to any Special Olympic participant.

As a leader in our community, I know you will give serious consideration to this worthwhile cause. We currently serve over **250 individuals in the Colbert and Lauderdale county area.** This is a great opportunity to give something back to the community.

Without these programs, many persons with disabilities would not have many recreational opportunities. Know that your support makes a huge impact on so many important lives.

One hundred percent of the funds will be used solely for the Shoals Area Special Olympics.

Programs Offered: Swimming, Bowling, and Track & Field activities.

Thank you for your support!
