

It's a wonderful time of year!

It's time for the **Annual Shoals Area Special Olympics Golf Tournament.**

This tournament is a major source of funding for Arc of the Shoals programs during this upcoming year. These programs are totally dependent upon donations. There is **no cost** to any Special Olympics participant.

As a leader in our community, I know you will give serious consideration to this worthwhile cause. We currently serve over 250 individuals in the Colbert and Lauderdale county area. This is a great opportunity to give something back to the community.

Without these programs, many persons with disabilities would not have many recreational opportunities. Know that your support makes a huge impact on so many important lives.

This year's funds raised will help support the Shoals Area Special Olympics and the 2021 Night to Shine Shoals - an unforgettable prom night experience centered on God's love for people with special needs ages 14 and over.

Thank you for your support!
