

Elastomeric Rubber :

- Durable
- Comfortable
- Economical

Low Profile Mask :

- Increases visibility
- Fits under most welding & grinding shields

Soft Elastic Straps :

- Provides more comfort against the skin, increasing user comfort

Large Inhalation Valves :

- Reduces breathing resistance providing greater comfort

Large Exhalation Valves :

- Allows more hot air to exit mask faster, reduces heat buildup

Unique Exhalation Valve Diaphragm :

- Ribbed design allows the diaphragm to lift off the seat with less effort allowing more hot air to exit the mask faster

Inside Features

Comfort Sealing Surface :

- Unique design rolls into facial features providing excellent fit

Textured Sealing Surface :

- Provides traction against the skin to help keep the mask in place

Available in 2 sizes :

- SM : small/medium, ML : medium/large sizes

SAF-TWIST 3 POSITION CARTRIDGE MOUNTING SYSTEM

One Mask For All Plant Applications

Position 1 – Swings the cartridges out of the way providing the most downward visibility. Will fit under many grinding and welding shields

Position 2 – Rotates the cartridges inward to allow the mask/cartridge to fit under grinding and welding shields

Position 3 – Rotates the cartridges upward to allow the mask/cartridge to fit under grinding and welding shields

SERIES 400 ELASTOMERIC RUBBER HALF MASKS

FILTER PADS & HOLDERS

Series 400 Half Masks	
4-SM-00	Small/Medium
4-ML-00	Medium/Large

N95 - Suitable for Welding, Dusts, Non-Oil Mists	
4-SM-DN5	Small/Medium
4-ML-DN5	Medium/Large
R95-Suitable for Welding, Dusts, Oil Mists (up to 8 hours)	
4-SM-DR5	Small/Medium
4-ML-DR5	Medium/Large

N95 Filter Pad - Suitable For Most Non-oil Aerosols	
158-D-N5	Box of 16
158-D-N5B100	5 Bags of 20, 100 per case
158-D-N5B1000	50 Bags of 20, 1000 per case

R95 Filter Pad - Suitable For Non-oil & Oil Based Aerosols For Up to 8 Hours	
158-D-R5	Box of 16
158-D-R5B100	5 Bags of 20, 100 per case
158-D-R5B1000	50 Bags of 20, 100 per case

Filter Cover For Particulate Pads	
159-T-61	Package of 6
159T61B350	Bulk Pack - 350/Box

Filter Holder For Particulate Pads	
14880	Package of 6
14880B350	Bulk Pack - 350/Box

Particulate Pad Filter Assembly	
158-T-50	Package of 4 Assemblies - 4 Filter Covers / 4 Filter Holders
