

Move forward with lean

Get big savings on lean printer and material kits

October 1, 2020 – March 31, 2021

As you're asked to do more with less you've got an eye for efficiency, strive to cut back on waste and be well-organized. Get moving in the right direction — with lean. A big way you can keep your processes streamlined and cut on costs is to add visual cues to your facility. For a limited time, you can keep the efficiency momentum going by taking advantage of really **BIG SAVINGS** on kits featuring lean printers and pre-assorted materials — **20-30% off!** These kits can help you organize, identify and gain more efficiencies throughout your facility and keep those processes sustainable. With these lean bundles you can:

- **Lean into flexibility** — you get on-demand tools for creating customized or facility-specific messaging
- **Lean into efficiency** — you get an all-in-one solution to reduce errors, wasted time and money

Terms and conditions: Offer valid in North America only. Value of free materials based on manufacturer's suggested list price. Eligible printer must be purchased by customer on or before March 31, 2021. All promotional printer bundles must ship to end user.
