# Need extra efficiency?

## Get more with the BradyPrinter M611 Mobile Label Printer
### December 1, 2020 – February 28, 2021

Keeping an eye on your margins means making the most of every resource, like a contractor's time.

To gain more efficiencies between the office and the field, use integrated technology like the **BradyPrinter M611 Mobile Label Printer**. In just three easy steps, you can create ID for essential applications like pipe markers, valve tags, safety labels and much more.

Plus, for a limited time, you can **receive a complimentary accessory** with your BradyPrinter M611 Mobile Label Printer kit purchase.* Choose from four popular add-ons: a Sling Pack, Hard Case, Soft Case or Magnet. It all adds up to greater efficiency, but it won't last forever, just from December 1, 2020 through February 28, 2021.
