

8-HOUR SAFETY SEMINAR

BEST CLASS FOR NEW HIRES!

With more Americans returning to the workplace or starting a new job, OSHA requires that each person receives OSHA compliant safety training.

Martin's 8-Hour Safety Training teaches you employees how to identify, prevent and rectify workplace hazards in one day and can be counted as your company's regular OSHA mandated safety training. (Good for one year.)

ONSITE OR LIVE WEBINAR TRAINING AVAILABLE

Martin's 8-Hour OSHA Training is taught by **OSHA Authorized Outreach Trainer, Malcolm Ritchie, BS, QSSP, HMTRI**, who has more than **25** years' experience in Safety and OSHA Compliance.
