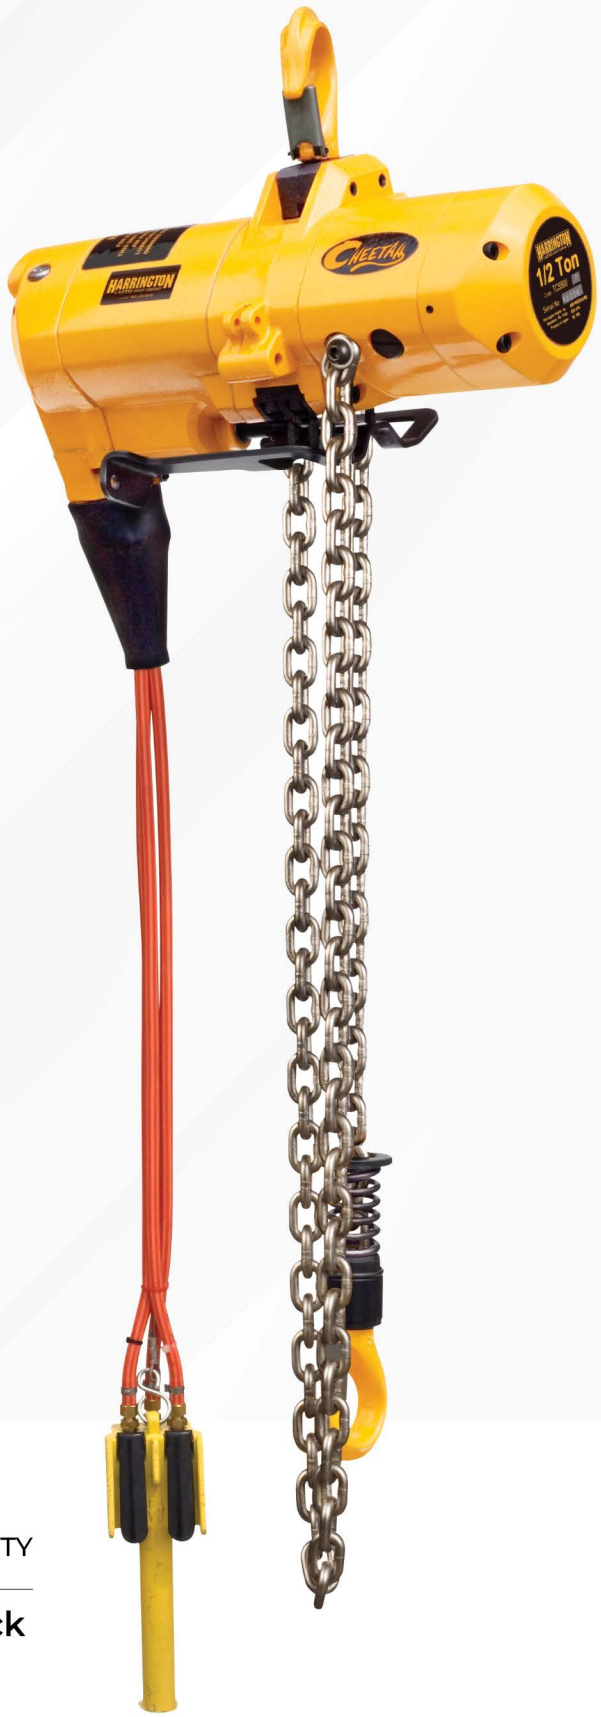
Air Hoist

When you Have the Need for Speed

Sometimes a job requires ultra-high lifting speeds and 100% duty rating. With super fast speeds, the TCS offers blazing performance while still providing quiet operation and optimal fine feathering to control your load position. Fast, quiet, and precise—that's an unbeatable combination.



FEATURES

- **Extremely Fast Lifting**
- **Compact, Lightweight Design**
- **Fine Feathering Control**
- **Internal Disk Brake**
- **Unlimited Duty Cycle**
