

DUNLOP[®]

PROTECTIVE FOOTWEAR

THE WORLD'S INNOVATION LEADING BRAND FOR PROTECTIVE SAFETY FOOTWEAR

Learn More About Purofort[®]

Safety comes first in the food processing industry. Work activities in the sector involve specific risks. For example, there is a high risk of slipping and falling due to wet floors. There is also a risk of cross-contamination. In addition, coming into direct contact with industrial cleaning agents used in the cleaning process could have harmful effects.

The Dunlop FoodPro is our best in class solution, our range comes in multiple colors and are SRC slip resistant.

WORK SAFER WITH DUNLOP PROTECTIVE FOOTWEAR

Selecting superior quality FoodPro boots will benefit your workers and your company in multiple ways:

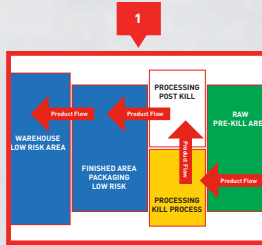

The effects of slips, trips and falls are felt far beyond the incident.
