## 3M™ Aura™ Particulate Respirator 9211+, N95

Experience greater performance with the improved 3M™ Aura™ Particulate Respirator 9211+, N95 featuring the new 3M™ Cool Flow™ Comfort Valve

3M continues its long tradition of innovation with the launch of the new™ 3M Cool Flow™ Comfort Valve on the Aura™ 9211+ model. Taking comfort to the next level, this improved exhalation valve opens easily, allowing warm, moist exhaled breath to escape more quickly from inside the respirator to help improve comfort and breathability.

\*Compared to the previous 3M™ Cool Flow™ Valve when exhaled air was measured at a 10 L/min breathing rate

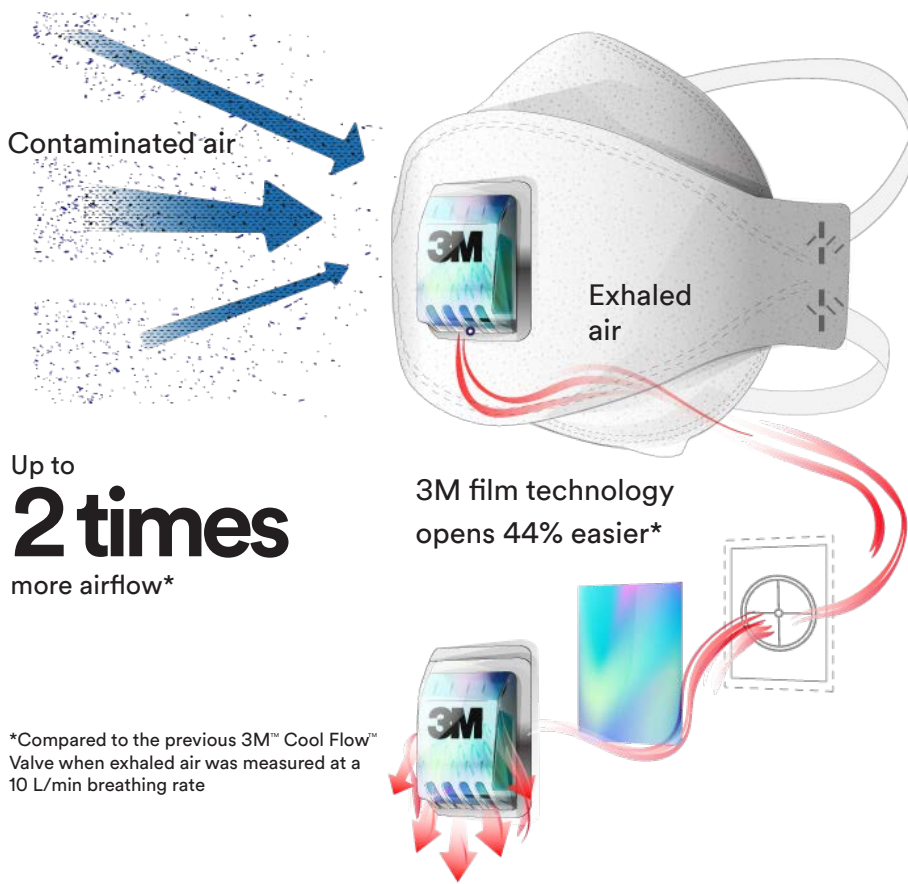

New valve opens

**44%**  
easier allowing  
**70%**  
more airflow\*

Contact your Martin Sales Rep or call 800.828.8116 to learn more

# 3M™ Aura™ Particulate Respirator 9211+, N95

Up to  
**2 times**  
more airflow\*

\*Compared to the previous 3M™ Cool Flow™ Valve when exhaled air was measured at a 10 L/min breathing rate

## Product Features

**New 3M™ Cool Flow™ Comfort Valve**  
Releases warm, moist exhaled breath more quickly than the previous valve.

- Sculpted, embossed top panel designed to allow more room for eyewear and help reduce eyewear fogging
- Braided headbands help keep the respirator securely in place
- Chin tab designed for ease of positioning, donning and adjustment
- Flatfold design offers convenient storage and portability
- Individual Packaging helps protect the respirator from contamination before use

## Potential Applications Include:

Grinding, Sanding, Sweeping, Bagging and other dusty operations.

	<p><b>⚠ WARNING</b></p> <p>These respirators help protect against certain airborne contaminants. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of OSHA 1910.134, including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate.</p> <p>Misuse may result in sickness or death. For proper use, see packaging instructions, supervisor, or call 3M PSD Technical Service in U.S. at 1-800-247-3941 and in Canada at 1-800-267-4414.</p>
