Hearing Protection

Radians proudly manufactures our soft, slow-recovery foam earplugs at our Memphis, TN headquarters—giving us full control over quality, performance, and supply chain reliability.

Produced under our RadPlugs division, our Made in USA earplugs meet the ANSI S3.19-1974 standard and are available in a wide range of shapes, sizes, and colors with NRRs of 31, 32, and 33. Choose from corded or uncorded styles, with bulk packaging options ideal for outfitting larger crews. In addition to single-use protection, Radians also offers reusable USA-made solutions, including banded hearing protection, Jelli™ Snug Plugs, and Do-It-Yourself Custom Molded Earplugs.

Made In USA

Eyewash & Vision

Radians eyewash stations deliver dependable vision protection and emergency response, helping workers quickly flush contaminants from their eyes when every second counts. Made in the USA and assembled in Memphis, our eyewash stations are built for durability and engineered for easy installation and maintenance, making them a trusted choice for industrial, construction, and manufacturing environments.

REWO1112

Radians 12 Gallon Emergency Eyewash Station

- MIN And MAX lines on manifold help ensure proper water level
- Front-facing opening to add water and preservative
- Manifold and base work together to capture wastewater and drain into disposal bin or cart
- Gravity-fed tanks can be wall mounted, used with a stand or placed on a table/cart
- One-step activation for instantaneous flow
- Delivers at least 15 minutes of non-injurious flow to meet the ANSI Z3581 standard
- Green color is easily recognizable if an injury occurs

MIRAGE™ USA

Safety Eyewear

- Dielectric snap fit temples
- Sleek, lightweight design
- Optically correct and distortion free lenses
- Economical dual wraparound 975 base lens provides near perfect orbital seal
- Polycarbonate lens provides impact resistance and meets ANSI/ISEA Z871-2020

REWCART

Radians Eyewash Drain Cart

- Plastic construction with 16-gallon capacity
- Small drain hose opening in top to collect water
- Screw-on cap to cover drain hose opening when rolling cart for wastewater disposal
- Drain cap at bottom of cart is easily unscrewed for wastewater disposal and can accommodate standard water hose

RADWEAR NECK GAITER

Orange (RAD-NGOBE) and Lime (RAD-NGFRG)

- FR Jersey Fabric
- Meets NFPA 70E
- PPE (HRC) CAT 2
- ARC Rating EBT=96 Cal/cm2
- Lightweight
- Machine Washable

99705-FLEX

Vision Aid Universal Flex Sideshield

- Easy-on, easy-off, weaves through the temple
- No parts or tools required
- No metal parts
- Blocks 100% of UV rays
- Molded of soft, bendable vinyl 075
- Absorbs the energy of impact
