

Supporting Non-Profit Organizations who Support those with Intellectual Disabilities:

Special Olympics is an international non-profit organization dedicated to providing year-round sports training and athletic competitions to children and adults with intellectual disabilities. Through the power of sports, Special Olympics encourages the experience of joy, the growth of confidence, the development of personal fulfillment and fosters the acceptance and inclusion of all people.

Singing River Athletes (SRA) is the Shoals area local LLC which manages all things related to our local athletes by providing advocacy and support for persons with developmental disabilities and their families in Colbert, Lauderdale, and Franklin Counties. Their goals are to improve the quality of life and provide opportunities for these persons by assisting them in accomplishing goals of learning, living, working and recreating where they choose.

Spring is on the way and so is the 28th Annual Shoals Area Special Olympics Charity Golf Tournament!

Each year, the golf tournament serves as a major funding source for recreational programs that serve 250+ individuals in Colbert, Lauderdale, and Franklin Counties. These programs are dependent upon donations and the annual charity golf tournament provides over 95% of their yearly funding. Please know, your support makes a huge impact on so many important lives.

Funds raised from this year's charity golf tournament will support:

Singing River Athletes: A local Shoals area group dedicated to providing year-round sports training and athletic competitions for individuals with intellectual disabilities. Our organization manages all local Special Olympic Track & Field events and facilitates the participation of local athletes in the annual Special Olympic State games.

As a community member, business leader or person who enjoys giving back, I know you will give serious consideration to supporting these generous programs.

We hope you will join us this year for a great opportunity to give back to the community, make a difference in someone's life and have some fun on the golf course.

**As always, we thank you for your
continued support.**
