

8-Hour Safety Seminar

With more employees entering the workforce or taking on new roles, proper safety training is more important than ever. OSHA requires employees to receive compliant safety training to help maintain a safe and productive work environment.

Martin's 8-Hour Safety Training equips your employees with the knowledge to identify, prevent, and respond to workplace hazards in a single day. This comprehensive course meets OSHA requirements and can be applied toward your company's mandated safety training (*valid for one year*).

Safety Topics

- Fire & Emergency Evacuation
- Lockout/Tagout
- Machine Guarding
- Confined Space Safety
- Bloodborne Pathogens
- Hazard Communication
- Personal Protective Equipment (PPE)
- Confined Space Safety
- Respiratory Protection
- Hearing Conservation
- Heat Stress Awareness
